319-656-3232**

**715 D Ave  
Kalona, IA**

## **Native Iowan Carmon Slater**

**Carmon grew up in Sigourney Iowa on a dairy farm where the farm, woods and animals were a part of everyday life.**

**Carmon went to the UofI, as a music major, then changed to science, which he taught for many years, and loved connecting nature, art and science.**

**Carmon worked with many medium's over the years, creating cloth through surface design techniques was his most prolific endeavor and making quilts has extended to the present time.**
